REMARKS

The present paper is a complete response to the Notice mailed September 29, 2004. The failure to list some of the claims previously canceled during earlier prosecution was inadvertent and unintentional.

Should this response be considered inadequate or non-responsive for any reason, or should the Examiner have any questions, comments or suggestions that would expedite the prosecution of the present case to allowance, Applicants' below-listed representative earnestly requests a telephone conference.

Respectfully submitted,
